A month of devotion to Mary

It is the month of May, traditionally a month of special devotion to Mary, our Mother. Mary was given a unique place in the history of the world - arguably the most privileged place of any person. In spite of this, she was not exempt from any challenges or suffering, joy or pleasure in her life. Mary offers to journey with each of us in our own struggles, uniting her prayers to ours, as she points us always in the direction of her Son, Jesus. May we accept her invitation and draw inspiration from her example of living always within God's plan of unconditional love.

 The logo for 'cool ideas' features the word 'cool' in a bold, lowercase, sans-serif font. The letter 'i' is replaced by a blue circle containing a white lowercase 'i'. The word 'ideas' follows in the same bold, lowercase, sans-serif font. A thick blue horizontal line runs beneath the entire logo.
